# Portals Of Wonder

## *Our Mission*

**Portals Of Wonder** is a 501(c)3 charitable non-profit that brings magic, mime, music and myth to children facing critical illness such as AIDS and cancer, to homeless youth, to frail elderly and to the general public via original high-end theatrical productions, such as *Adventures of a Wizard*, inspired by the vaudeville shows of the late 19th and early 20th centuries, and the golden age of Broadway musicals.

From these productions we also create customized arts education workshops and therapeutic programs in theaters, schools, places of worship, hospitals, homeless shelters and other non-traditional settings. Through non-competitive, multi-cultural, and gender-sensitive activities, **Portals Of Wonder** has served almost 10,000 children and frail elderly in the NYC area alone. Productions and programs are designed to bring hope, wonder, and inspiration into lives that may have lost it.
